

Age Group Swimming Achievement Awards

This ASCA Nationally recognized patch program is based on Age Group Time Standards. These time standards are available on the website. We are using B, A, and AA times.

Each patch is available in each stroke (no distances). So, if you get a B time in the 50, 100, or 200 freestyle – there’s a patch for that. Your next goal would be an A time and an A patch. We would love to see our team all “patched up” with their accomplishments. The hope is that this reward will motivate each swimmer to be their best. Swimmers can sew the patches on their parka or bag, or collect them on a carabineer.

If you would like to participate in this program, the first step is to buy the age group emblem:

10 & under 11-12 13-14 15-16 17-18

Next look at your best times – if you see that you have met the B, A, or AA time write your time and event. Identify the patch(s) you are ordering and submit this form and payment. Once we confirm your time(s) - you will receive the patches.

If you have questions, please contact Amy Cox or email mantarayaquatics@gmail.com.
